

# Project Abba 2004

Dear "investers" in the Project ABBA Children,

What a joy it is to see so many of you *share of your resources with the Abba children*, and we are glad to be able to *share their smiles with you!* Enjoy the pictures!

It was another year of blessings and challenges in our Awana and other Bible Clubs. Our church leaders have been working hard to reach more and more of the parents of the children, because children are more likely to stay in Church when their parents also attend.

We do thank the Lord for your partnership

*Older kids received a much needed back-pack for this school year*

*Younger children received clothes and toys*

in this effort to reach the city of *Recife for Christ*. And a "special thanks" goes out to you who gave so generously this Christmas so the Children with which we work throughout the year can feel even *more special* during the holiday that is all about how much our generous God gave to us all.

In Christian love,  
*Michelle Campos and Vicki Le Feber (and a bunch of children!)*

*Everybody's favorite!*

PS. There is one more photo we want you to see of the Christmas program, but we are having trouble downloading it. We will send it to you as soon as we are able to.
