

News from Brazil South

August 2010

Dear Beloved Brethren in the Lord,

Greetings from Curitiba and the Winter Season here in Southern Brazil. Snow fell in some cities farther south in the first week of August. Here in the metropolitan area of Curitiba, it is just cold and colder. Inside the house during the day, the temperature varies from 45-55 degrees F without central heating. Outdoors it is windy and the sensation is even colder.

Coming on September 17-19: The Conference of Churches to be held in Antonina, Paraná Province. I am invited as first night speaker on the theme, *“Missions: A Church Challenge for Church Planting.”* Please pray for those attending, especially for the \$80 per person registration and travelling expense. Please pray for all the activities to encourage the churches here in Brazil to grow and prosper.

In our last prayer letter we mentioned our plan to start a church planting ministry in the city of Paranaguá , Paraná . We continue to ask your fervent prayers for the said plan because it is

Trip to Paranaguá

really hard to begin. Our first plan was to move last month (July), but it was not realized due to a series of difficulties. First we drove to Paranaguá many times looking for a house to rent directly from its owner, but most rentals are under realtors who make the rentals higher, so we have no choice. Next month we will finalize the plan and sign a rental contract. Secondly, a truck hit our small car while it was parked and it needed to be repaired. We took it to the mechanic and the guy who hit our car paid 90% of the damages.

We continue to covet your fervent prayers about our basic needs for

starting this plan. We would like again to mention the approximate needs to get started: Monthly rent/ heart medicine & car payment: \$800. Purchase of Gospel tracts & literature \$150 and appliances \$1300. Any gifts for these items, please send directly to the TCM address.
