

# PAÑA'S UPDATE OF THE MINISTRY 2005-2010

## MINISTRIES IN UGANDA

### Philippians 1: 6

Beloved in the Lord,

Thank you for partnering with us in the ministry of spreading the Gospel of Jesus Christ. Your prayers and financial assistance make it possible to accomplish these ministries!

This is the time to look back on all that has been accomplished in five years.

We think of all the people who have been supporting us in prayers and gifts, your generosity makes this ministry possible. God's faithfulness and goodness by using you, our dear brothers and sisters in the Lord, was the very reason for the growth of Uganda Grace Gospel Church and has sustained us through good and difficult times. Thank God we look back with thanksgiving, look and live by faith.

But this is also a time to think of the future ministries. Acknowledging God's faithfulness in the past gives us confidence to move forward in spite of many challenges. There is much to do. We want to improve our services to the Lord whom we serve. We are planning for growth and development of our program in the years to come. The approval permit allows us to continue working for five years. Thanks to God! We move forward with faith. Training makes the difference; we have trained six since we started. Now we have two who are qualified: Pastor Jonathan Nuwagaba married with one son and Pastor Philip Walendo married with one daughter, both will help to continue the ministry.

Hopefully, aside from Kirombe Uganda Grace Gospel Church of Christ, we can plant two more churches this year: God willing in the land we purchased, and one in Mubende district outside Kampala. We want to construct a church building in the land we have. Please, dear brothers and sisters in the Lord, join with us in this project to reach people around this community. People need the Lord! Child sacrifice is very rampant in Uganda. Sad to say, two of our Sunday School kids disappeared Saturday night. They were from our church in Kirombe Luzira. We are very sad. We don't know yet where they are, but many were beheaded, and already boys' and girls' private parts, hearts, livers and others were removed. Last year there were 260 children and adults being sacrificed!

We thank God for those who have given generously from the very start of our ministry during the past ten years, five years in Kenya and almost six years in Uganda. We look forward to your continued assistance in the coming years as we accept the challenges of serving the people of Uganda. For those who want to start serving the Lord through prayers and giving, you are most welcome, brethren!

CARLO AND ELMA: FIVE YEARS IN UGANDA

## Thanksgiving:

1. For families and individuals who are faithfully supporting us;
2. For the members we have in our church (two are now pastors);
3. For the land transfer and the title;
4. For the new pastor we installed in Kirombe church;
5. For all your prayers when our family experienced very difficult times but God gave us the way out. PTL.

## Prayers:

1. For Uganda as the melting pot of nationalities ... that we can reach them with the Gospel of Grace. A bomb blast killed 75 people majority Ugandan-during the final world cup match of the Netherlands vs. Spain. Rejoicing turned to roaring and mourning!!! 
2. For the start of evangelism in the land we have at Bukasa, Muyenga.
3. For God to prepare the people in that area to connect the ministry.
4. For children's ministry...many of them in the area.
5. For the church and Bible school buildings on our property starting this year 2010 to 2015.
6. Pastors' support \$200 monthly for Philip Walendo and Jonathan Nuwagaba. Both of them are married with one child.
7. For our monthly support (rent \$400, medicine for Elma and Charael maintenance \$300).

Our heartfelt gratitude to God and to of all you!!!!

Yours in Christ's Service,
