

# MISSION EAST TIMOR

Sept, 21 2018

## Eph 6:18-19

Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;

And for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel

## Thanksgiving

1. Praise God for the successful extension of my tourist visa because in East Timor it's very hard to get an extension even if it's just a tourist visa.
2. Thank the Lord I can already speak and understand the language and easily communicate with the people.
3. Praise God for guiding me to find a room to stay in East Timor.
4. Thank the Lord for giving me some local friends who help me in providing information about the country and the people's cultures and traditions.
5. Thank the Lord I could attend some religious activities from different kinds of evangelical missions for further studies and observations.
6. Thank the Lord for protection and good health every day, especially for my wife and children in the Philippines
7. I thank all who are praying and supporting the East Timor ministry.

The sacred house . East Timorese design ( UMA ADAT )

Attending and participating in a Bible study in Alliance Church

The pioneering house church of Potters House

## Plan

- ◆ I am planning to study *Bahasa Indonesia* language because Timorese use the *Bahasa* Bible and they speak and understand *Bahasa*. Business people and private schools in East Timor are using *Bahasa*.
- ◆ To continue having more friends and strengthening my relationships with local people.
- ◆ Mastering the Tetun Language.

## Prayer

Please Pray:

- ◆ Getting long-term visas for East Timor because it is very complicated. The government has no fixed rules for getting visas. Every time the policy will change. They are very corrupt and take advantage of foreigners.
- ◆ Getting student visas for my children. The requirements are too many and sometimes they change the policy.
- ◆ The language study of my children and my wife that they can easily adapt.
- ◆ Good health. I've lived here for almost two months but never experienced rain. It's very hot and drinking water is very expensive.
