Dear Praying Friends and Supporters,

In 2 Thessalonians 3:1-2 Paul pleads with the Thessalonian brethren to continue praying that the Message for today, which is the gospel of the Grace of God, will spread out rapidly everywhere while we wait for Christ's coming in the air. Paul also pleads with them to pray for missionaries in the field of service to be delivered from wicked men. Our dear Friends and Supporters, we also urge you to please continue praying for us and the ministry.

"Finally, brethren, pray for us, that the word of the Lord may speed ahead and be honored, as happened among you, and that we may be delivered from wicked and evil men. For not all have faith."
2 Thessalonians 3:1-2

In January we celebrated both our birthdays (Gomer on the 12th and Nene on the 24th) and offered thanksgiving for another year in life.

In January we also started concreting the floor for our new church building for the ministry in Praia de Leste. At first the mission here tried to build a pre-fabricated wooden church, but unfortunately it was blown by the wind and torn down. Now we started to rebuild it using concrete materials instead so it will be built strongly. Heavy rains for couple weeks delayed the project, but our prayers remain firm that we can finish the building construction.

In February Nene was the guest speaker for the Womens Anniversary in Guapé Church. People were encouraged for the Message.

In March Gomer was one of the speakers for the church anniversary in Timbo. The celebration was attended by a good number of people from different Grace churches around Southern Brazil.

These activities were in addition our weekly services in Guapé Church and Praia de Leste Church. In March three adults accepted the Lord, and in April two couples and four adolescents accepted the Lord in Praia de Leste during our house-to-house visitation.

More children, adolescents and women are coming to the services. Pastor Luis Brizola's wife, Esther, is doing some arts and crafts and teaching women and children.

1. Pray for our plans of moving to a new field of Ministry in East Timor.
2. Pray for Praia de Leste new church building construction.
3. Pray for the training program here. We have 10 students studying and hopefully they will continue until the end of the courses.
4. Pray for our health.
5. Finally, pray for the whole ministry here in Southern Brazil.

We are really grateful for your continued financial support and prayers.

In Christ's Service,

Gomer and Nene Indino
