18 October 2011

To All Member Countries

Attention: National Chairman / Secretary

Dear Sir

After much labour; much discussion and planning efforts, the Executive Committee of the AAGF, is happy to announce that the first official continental conference of the AAGF will take place in Tanzania, Mbeya from the 12<sup>th</sup> to the 16<sup>th</sup> October 2011.

As per the constitution of the AAGF, the primary purpose of this conference and the ones to follow bi-annually, God willing, is to ensure fellowship of the churches in the continent. We believe that this will give us an opportunity to built relationships, enjoy fellowship around the word of God and to share together how we will expand the gospel of grace in all of Africa and around the world.

It shall be remembered by all concern that the first meeting of the continental council took place in Malawi where the Executive Committee was elected and the AAGF was officially launched as an organization. Continental Council Members (who are chairman and secretary of national board of each country) are asked to come prepared for the meeting. This will also be an opportunity to clarify the purpose and other issues regarding the AAGF.

Member countries are requested to bring their annual membership fee of USD 100 for 2011 subscription fee.

The organizing committee of the host country will be in touch with you as to further detail such as registration fees, cost of accommodation, transportation to and fro, etc. It is important to note that each country's delegates or individual member who wishes to attend will be expected to fund all the relevant costs. This is intended as a general conference which can be attended by all grace believers.

We ask all churches to pray for the success of this very import and historical gathering of grace churches in the continent of Africa.

With much joy, we are looking forward to welcoming you in Tanzania.

Pastor Steve Thobela  
AAGF Chairman
