

# MISSION EAST TIMOR

December 6, 2018

2 Corinthians 10:13 - But we will not boast beyond limits, but will boast only with regard to the area of influence God assigned to us, to reach even to you.

## Thanksgiving

#Departure service in GGCC San Juan

1. The painful separation from families, friends, church, pastors, and the ministry in the Philippines.
2. For all the preparations of going out and the provisions of our journey from Surigao to Manila then to Bali and to East Timor.

3. The local friends in East Timor who find a place and a house for us to stay.
4. For all who give time to pray for us and supporting us for the ministry in East Timor.
5. For all the tears we have from home to leave our comfort zone and to commit our en-

tire life and the whole family for the mission of God.

6. For this new field of life to begin with our family of getting new people, culture, environment, climate, food, language and etc.
7. We thank God for all that he has done together with us for the guidance, wisdom, and for leading us the right way to the people that he already prepared before we arrived.
