Merry Christmas and Happy New Year to all of you!

Dear Praying Friends and Supporters,

Greetings through Christ's precious Name! We would like to thank God for your continued prayers and financial support for us and for the ministry here in Southern Brazil. We remember God's word to Paul in Philippians 4:17-18 and their continued giving for mission work. We know for sure it will please God.

Nene and I are very thankful to God for your continued support in prayers and financial giving so that we are able to serve Him here in Southern Brazil. We have lots of praises and thanksgiving to our Almighty God but will just mention some.

*"Not that I seek the gift,
but I seek the fruit
that abounds
to your account.
Indeed I have all
and abound.
I am full,
having received
from Epaphroditus
the things sent from you,
a sweet-smelling aroma,
an acceptable sacrifice,
well pleasing to God."*

It was an honor to host two Grace International Directors in our house: Jeremy Clark from GMI and then our TCM International Director, Ben Anderson.

November 2 was All Saints Day when people visit the graves of their relatives. We and our church members distributed 170 gospel tracts at Pontal do Sul cemetery.

In November, Nene evangelized three women and a little 5-year old boy. All of them accepted the Lord Jesus Christ.

Our Southern Brazil Grace Churches Annual Conference had 114 attendees. Ben Anderson, gave a challenging message about

Mission Expansion the last day of the conference.

In our last prayer letter we mentioned a piece of property the local mission bought in Praia de Leste, Pontal do Parana, where we have a new church planting ministry. The first week of December, we leveled and filled the property, and a week later we held our ground breaking service and laid the foundation. Praise the Lord for this new church building

construction even though we don't yet have sufficient funds. By prayer and supplication some have given sacrificially just to start the church building. We pray the small building will be done by February of 2019. Our next project will be in Paranagua.

Pastor Luis & Ester Brizola and Thiago Nieverth and his family are leading the ministry in Praia de Leste. It is a step of faith for this couple and family to give their lives for the ministry. We bought a small amplifier for one microphone and guitar to use in our services in Praia de Leste, but it was stolen along with two bicycles Pastor Luis and Ester used for visitation. Pray we can buy replacement bicycles and a sound system for this ministry.

Please pray for our future plans to leave Brazil and the ministry here in the hands of the national pastors and move to East Timor, Southeast Asia, to join the new TCM ministry there. Our target arrival in East Timor will be late next year, 2019.

Again, we would like to thank God for your continued support and prayers for the ministry here in Southern Brazil.

In Christ's Service,

Gomer and Nene Indino
