

**BRAZIL**≈ Praise God with Joe Campos: “Three and a half years ago we arrived in Brazil to a struggling church of 5 people. Things looked pretty challenging and quite frankly impossible to turn around. But tonight we had our first evangelistic team meeting with 20 individuals! At that moment I said, “Lord, just the evangelism team of this church is already 4 times the size of the members we had when we arrived here! Thank you!” The Lord is faithful in building His church, if we just be available.”

**VIETNAM**≈ Praise God the wife of our TEAM couple secured a job teaching English at a local university. Pray this will result in long-term visas for both of them. Pray as they build relationships with the English students and endeavor to learn Vietnamese. They are excited for their 16 and 18-year old kids, studying in their home country, to visit over Christmas.

**KENYA**≈ Director Titus Kivilu writes, “Praise God for the opportunity to take the Grace message to Bungoma in Western Kenya. We have 2 key contacts there, Brother Robert and Brother Augustine who have resolved to invite me to visit their place to teach more about the Grace message and launch a church. I am planning take a team of 5 pastors there in January for 4 days of outreach and teaching ministry. I request prayers that God will open the hearts of these two leaders and the group they have gathered to receive the Grace message, and that we will be able to open a Grace church.”

**CAMBODIA**≈ Phnom Penh City Central Church has started their 2nd Discipleship/ Mentoring training course, *Missio Dei* --an introductory course on World Missions.

Regular sessions began Dec. 2 and end Feb. 17. Myra Omictin supervises the program while James & Agape Bermejo and Julia Liles serve as teachers. Pray as they expose local church members to what God is already doing in reaching unreached people groups and equip them to participate in this movement.

**THAILAND**≈ Praise the Lord for directing Maraats to a rental property for their new ministry in Banthi, Lamphun, the city where the new Chiang Mai International Airport is to be built. Thousands of Buddhists live there who have never heard the gospel. Pray Maraats can plant a church in that town through contacts of a couple living there who were saved through Grace Church, Chiang Mai.

**LAOS**≈ The Team leaders rejoice in the great privilege of serving the Lord in Laos for the past 7 years. The Lord has been so faithful! Pray for this couple as they return to their home country in January to spend 3 months reconnecting with family, friends and personal prayer team partners and supporters, updating them about themselves and the work the Lord has entrusted to them.

**UGANDA**≈ Under newly appointed Director Philip Walendo, TCM-Uganda leaders met to discuss strategies for spreading the gospel of Grace throughout their country. Pray the Lord empowers them to achieve the goal of planting at least 2 new churches by 2020.

**SOUTH AFRICA**≈ Pray the registration of our non-profit national organization will be approved. The application had to be re-submitted the first week of December, and it is expected to take at least 3 weeks to process. The Padayhag and Heath families have to wait for the approved registration number before they can apply for their visas. Pray patience for both families as they are eager to get there and carry on the ministry.

**EAST TIMOR**≈ Praise God for the safe arrival of TEAM Timor—the Arsino family! Pray for smooth adjustment, ease in learning the language, registering their kids in an international school, wisdom in setting up an official organization to procure long-term visas, and most of all, that God will pour out His love and grace to the Timorese people through them

**PHILIPPINES**≈ Pray health for key leaders: Pastor Gerson Bermejo, in charge of the Missions Department and coordinator of GTCM (TCM's missionary training program), and Pastor Eufracio (Jun) Pielago, in charge of the Literature Department. Both are in their 70s and were hospitalized recently with serious medical conditions.
